- Dwayne Huffman, FSU Cycling Club, commented on the sale of the 10 acres at Tom Brown Park, including the excellent bike trails, and its effect on local cycling events and the dollars brought to Leon County from hosting cycling events. Requested the Board consider the option of not selling.
  - Commissioner Proctor requested that, whatever piece of property is not sold, staff bring back information of taxable income lost to County.
  - Chairman requested that Commissioners Maloy, Rackleff and Thaell work as a committee with staff regarding the pros and cons of the sale of the property and to determine effect of loss of taxable property to County, if sold
  - Commissioner Rackleff said staff does not have Watershed Study and offered to Chair the Committee to make a definitive recommendation about protecting slopes and shore of Lake Lafayette. Commissioner Rackleff also announced that DEP is speaking regarding the effects of
